

Come Follow me (Fishers of people)

[Verse 1]

By the water
Early morning
Waves just talking to the sand
Two brothers fixing tangled nets
Bare feet
Working with their hands
Simon Peter
Andrew listening
Hearts already set to hear
They had heard from John the Baptizer
So they knew the Lamb was near

[Chorus]

"Come follow Me
" said Jesus (hey!)
"I'll teach you what is good"
"Come follow Me
" said Jesus
"I'll send you out like I said I would
Fishers of people
Bringing them home to God
Fishers of people
Walking wherever I trod"

[Verse 2]

He stepped closer on the shoreline
Eyes so kind and strong and clear
They had heard He was the Saviour
Now the One they hoped was here
Dropped their nets right in the water
Left the boats there in the foam
When He called
They didn't argue
They just walked and called it done

[Chorus]

"Come follow Me
" said Jesus (oh yeah)
"I'll teach you what is good"
"Come follow Me

" said Jesus
"I'll send you out like I said I would
Fishers of people
Bringing them home to God
Fishers of people
Walking wherever I trod"

[Bridge]
Little boats
Big forever
Little "yes
" mighty plan
He still calls kids and grown-ups
"Come and place your hand in My hand" (hey!)

[Verse 3]
A little farther down the seashore
Two more brothers in a boat
James and John there with their father
Mending lines that loved to float
They had heard the promised stories
They believed the Christ would come
When He called
They left their father
Chose to follow God the Son

[Chorus]
"Come follow Me
" said Jesus (come on)
"I'll teach you what is good"
"Come follow Me
" said Jesus
"I'll send you out like I said I would
Fishers of people
Bringing them home to God
Fishers of people
Walking wherever I trod"
